About ISACA

As an independent, not-for-profit, global membership association, ISACA engages in the development, adoption and use of globally accepted, industry-leading knowledge and practices for information systems. ISACA helps its members achieve individual and organizational success, resulting in greater trust in, and value from, information systems. Its members and certification holders are qualified and skilled professionals who make a difference.

With more than 95,000 constituents in more than 160 countries, ISACA® (www.isaca.org) is a leading global provider of knowledge, certifications, community, advocacy and education on information systems (IS) assurance and security, enterprise governance of IT, and IT-related risk and compliance. Founded in 1969, ISACA sponsors international conferences, publishes the *ISACA® Journal*, and develops international IS auditing and control standards. It also administers the globally respected Certified Information Systems Auditor™ (CISA®), Certified Information Security Manager® (CISM®), Certified in the Governance of Enterprise IT® (CGEIT®) and Certified in Risk and Information Systems Control™ (CRISC™) designations.

Highlights

Keynote address by

**Mr. B Venugopal,
Director (IT/Software
Development)
Life Insurance Corporation**

B. Venugopal, Director(IT/Software Development), was born in May, 1959 and hails from Haripad in Alappuzha District of Kerala.

Before joining LIC as a Direct Recruit Officer of the 12th batch, he had worked in State Bank of Travancore for 2 years. He started his career in LIC in November 1983, as an ABM(A), in Kasaragod Branch of Kozhikode Division.

He has been associated with many of the path breaking initiatives taken by the Corporation in the field of I T and Business Process Re-engineering, such as the migration from Main-frame computers to UNIX at EDP Dept., Mumbai, Introduction of FEAP, Setting up of the first ever Metro Area Network and Interactive Voice Response Systems of the Corporation, Y2K Conversion, Centralization of ULIP Systems, EDMS and Data Warehouse projects, etc.

About ISACA Chennai

The Chennai Chapter of ISACA was the first of the Indian Chapters to be established in July 1986, and is also one of the oldest in Asia. With about 1000 members, the Chennai Chapter is one of the most active chapters in the country and the Asia's first to have its own office and training facility. The Chapter conducts monthly professional development meetings, Exam review courses for CISA, CISM, CGEIT & CRISC. To honour the vision of the founders, the Chapter celebrates the anniversary of its founding as Founders' day. Besides the annual conference which happens towards the end of every year, the Chapter also organised various seminars, workshops and training events on Management, security, governance and assurance over Enterprise IT.
